

The C&M Implement Trailer is the must-have accessory for anyone needing to transport implements safely and smoothly between locations.

This trailer's deck can quickly and easily lower to ground level, making loading and unloading a breeze. It also boasts steering on the carry wheels to negotiate tight corners and culverts and a carry load of up to 8000kg.

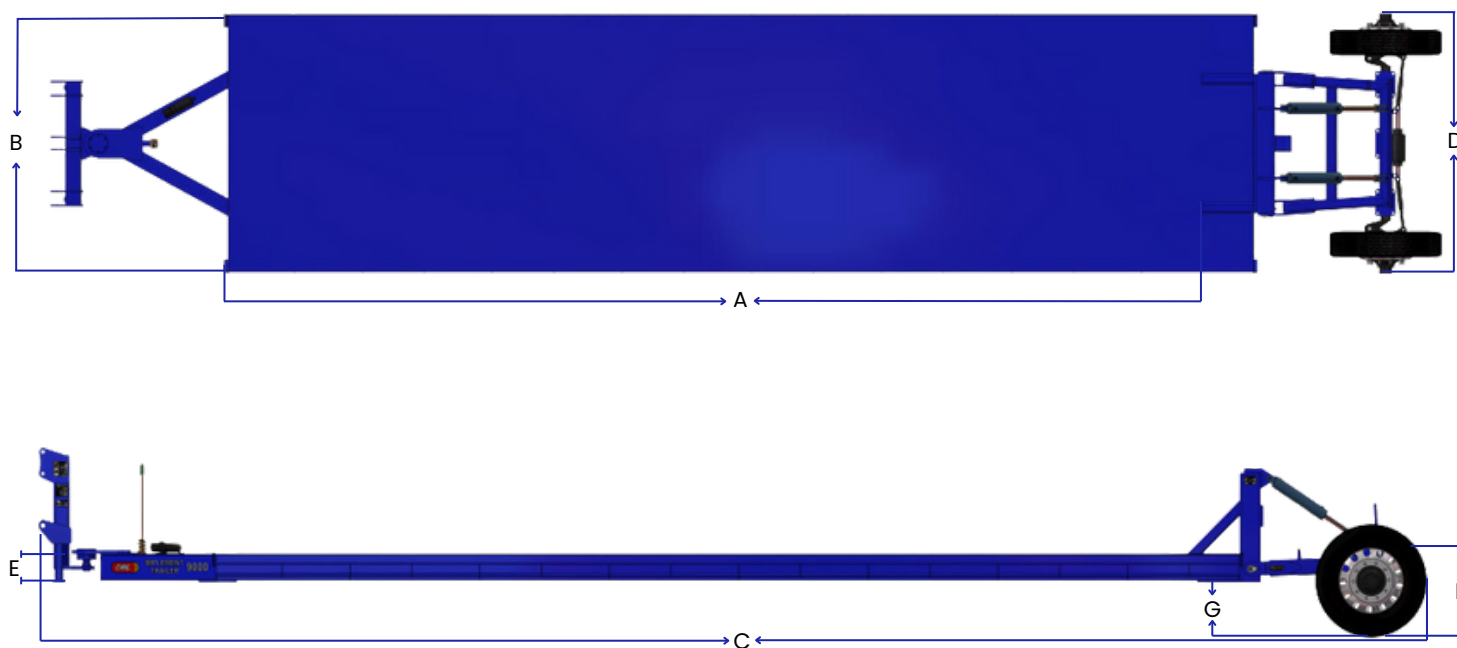

FEATURES & BENEFITS

- High Ground Clearance
- Steering On Carry Wheels to Negotiate Tight Corners & Culverts
- Rugged Construction Throughout
- Massive 2.4 x 9.0m or 2.4 x 13m Tray
- Gunner Rail & Load Binders for Quick Tie Down of Loads
- Pick Up With Quick Hitch for Easy Towing Operation
- Can Carry Loads up to 8000kg

All C&M machinery is Australian made and designed in Collier & Miller's state-of-the-art engineering workshop in Griffith, New South Wales. With more than 75 years' experience, Collier & Miller's engineering division is one of Australia's most experienced producers of quality, specialist agricultural machinery.
