

Helps extend engine life

GTX 15W-40

(PLEASE REFER TO TRANSITION TABLE)

Castrol GTX is one of the world's most trusted engine oils. The modern world creates difficult challenges for engines.

Poor fuel quality, heat and frequent short trips can all lead to sludge that potentially shortens engine life. Sludge is a sticky deposit that can block your engine's vital oilways and if untreated it can rob an engine of power and, ultimately, its life.

Castrol GTX with 3X CLEAN formula works to Catch, Control and Clean dirt from engine oilways, keeping your engine cleaner for longer and helping to extend engine life.

Castrol GTX also protects against new sludge formation better than tough industry standards*. Help extend the life of your engine with Castrol GTX.

* Vs API SP Limits

FEATURES & BENEFITS

- Superior cleaning of engine sludge caused by poor fuel quality, heat, and frequent short trips
- Advanced protection against viscosity and thermal breakdown
- Premium quality base oils and anti-wear additives to help extend the life of your engine
- Helps minimise oil consumption.

SPECIFICATION/APPROVALS

- ACEA A3/B4
- API SP

GTX DIESEL 15W-40

(PLEASE REFER TO TRANSITION TABLE)

Castrol GTX is one of the world's most trusted engine oils. It's more than just oil. It's liquid engineering that provides extra protection against diesel engine problems, like soot and harsh deposits that your engine faces every day. Why is this important? Because soot and harsh deposits can make your oil thicker, block oil ways, cause wear and decrease performance.

Help extend the life of your engine with Castrol GTX DIESEL.

FEATURES & BENEFITS

- Provides superior cleaning power to maintain engine performance
- Reduces the build-up of harsh deposits
- Helps prevent oil from thickening to keep it flowing freely
- Outstanding diesel engines wear protection
- Suitable for inter-cooled, turbo-charged diesel engines.

SPECIFICATION/APPROVALS

- ACEA A3/B4
- API SP
- NOT recommended for vehicles fitted with Diesel Particulate Filters or petrol engines with catalytic converters
