DECLARATION FOR SUBSTANCE FOR USE IN EXPORT REGISTERED MEAT AND MEAT PRODUCT ESTABLISHMENTS

Vendor: Hammersley Products (Aust) Pty Ltd.
Manufacturer of Substance: Hammersley Products (Aust) Pty Ltd.
Name of Substance: PYRAMINE
Category of use of Hazardous Substance: Category 6 Sanitiser.
Intended use of Substance: General sanitizing and disinfecting

Hammersley Products (Aust) Pty Ltd declares the above substance does not contain any ingredient that, when used according to label instructions, would detrimentally affect the quality or safety of food products. The cleaning compound above is suitable for use in export registered meat or meat product establishments for the purposes stated and it is issued in lieu of the AQIS approvals which have been discontinued. This document is constructed in accordance with AQIS suggested guidelines. The manufacturer/vender accept that this declaration relates to the product being used according to its instructions and is subject to no changes in the product formulation. The product is designed for the purposes indicated on the label and for use within food establishments that are covered by the requirements of FSANZ Standard 3.2.2 Food Safety Practices and General Requirements.

We draw your attention to the usage directions and MSDS material provided for the product and advice careful adherence to the information contained.

Please contact us if you require any further assistance.

Signature of Manufacturer:  Date: 19 April 2019
Printed Name and position of signatory: John Fernance General Manager

Declaration of qualified chemist

The substance identified above, when used in accordance with the directions on the label:

- is fit for the purpose for which they are to be used;
- will not contaminate animals, meat and meat products.
