

# Wile Cotton

For measuring moisture content in loose cotton

**Wile Cotton** is a handy moisture meter for measuring moisture content in loose cotton.

To perform the measurement, you will need a [W251 probe](#), in addition to the Wile Cotton moisture meter.

- Quick and easy to use.
- Moisture content measurement range for raw cotton: 7-30%.
- Repeatability of the measurement results:  $\pm 2\%$  points.

#### The set includes:

- Wile Cotton Moisture Meter
- Carrying case with strap
- Battery 6F22, 9 V
- Operating manual.

**Please note that the W251 probe is to be purchased separately. The meter cannot be used without a probe.**
