

# V-FORM™ Full-Body Harness

## Superior Comfort

The racing style quick connect buckle allows for a close, comfortable harness fit —eliminating the need for bulky chest straps or cumbersome buckles.

## Increased Flexibility

The racing style quick connect buckle creates an athletic cut, contouring the harness to the body and improving upper torso movement on the job.

## Adjustability

Pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the work day.

## Ease of Use

New hex style stitch patterns make finding broken threads easy when inspecting the harness.
