Product Information Document

Overview

Customer Facing Name:	PACKOUT™ Multi Depth 3-Drawer Tool Box
Material Number:	48228447

Product Overview

Our PACKOUT™ Modular Storage System is the industry's most versatile and durable storage system. The PACKOUT™ Multi Depth 3-Drawer Tool Box provides easy access to your tools no matter where the tool box is located in the stack. It has a 22.5kg weight capacity and a locking security bar allows you to padlock the drawers closed keeping them securely shut during transport. The tool box is constructed with impact-resistant polymers, all-metal ball bearing slides, and metal reinforced corners for ultimate jobsite durability. The Multi Depth 3-Drawer Tool Box also allows you to customise your drawer layout with Quick-Adjust Dividers. The bottom drawer is 12.7cm high allowing for a variety of Power Tools and Hand Tools to be stored. The PACKOUT™ Modular Storage System allows you to customise your storage system for easy transportation and organisation of tools and accessories.

Features and Benefits

Impact resistant polymer construction
Front opening drawers for easy access no matter where situated on stack
Smooth-roll metal ball-bearing slides
Locking security bar on front keeps drawers secure if the unit is tipped over
Includes one set of quick-adjust drawer dividers
Increased bottom drawer height for greater tool storage capabilities
