Milwaukee Nothing b	ut HEAVY DUTY." Product Information Document
Overview	
Customer Facing Name:	7 Litre Handheld Chemical Sprayer Tank
aterial Number:	49162762
roduct Overview	
	The 7 Litre Handheld Chemical Sprayer Tank is compatible with the M12™
	Handheld Chemical Sprayer Powered Sprayer Head (sold separately). The Tank features an onboard measuring cup, strainer for debris filtration, and intake hose.
	Translucent tank walls allow users to easily sight liquid levels, while the metal
	tank latches and sturdy, square design provide durability. The Handheld
	Chemical Sprayer Tank is also available as a 4 Litre Tank (49162761) providing
	users the ability to choose the right size the tank for the application at hand, and
	premix multiple tanks to maximise productivity.
