

Product Information Document

Overview

Customer Facing Name:	SDS Plus MX4 4-Cut Drill Bit 7PC Set
Material Number:	49323556

Product Overview

Milwaukee® SDS Plus MX4 4-Cut drill bits are the professional solution to tackle reinforced concrete drilling with its target tip technology: sharper angled tip for exact spot drilling and a solid 4-cutter Carbide head (on Ø5-10mm) to deliver speed optimisation, longer life and maximum durability in rebar. The high volume four flute design ensures enhanced dust extraction that results in faster drilling and less wear. The variable flute design gets thicker towards the core to increase flute durability.

Features and Benefits

Solid 4-cutter Carbide head (Ø5-10mm): speed optimisation, longer life and maximum durability in rebar.

Sharpened angle tip: self-centering for precise and fast drilling.

High volume flute geometry: enhanced dust extraction for faster drilling and less wear.

Four variable flute design: thinner towards drill tip for less friction providing greater speed. Thicker towards shank for greater durability.

PACKOUT™ compatible cases: designed to fit into PACKOUT™ organisers for conveniently accessible and secure storage.

PGM rated: Certified hole accuracy for safe anchor installation.

Made in Germany.

Product Includes

- (1) SDS Plus MX4 4-Cut Drill Bit 5 x 165mm [4932352008]
- (1) SDS Plus MX4 4-Cut Drill Bit 6 x 115mm [4932352011]
- (1) SDS Plus MX4 4-Cut Drill Bit 6 x 165mm [4932352012]
- (1) SDS Plus MX4 4-Cut Drill Bit 6.5 x 165mm [4932430146]
- (1) SDS Plus MX4 4-Cut Drill Bit 8 x 165mm [4932352022]
- (1) SDS Plus MX4 4-Cut Drill Bit 10 x 165mm [4932352026]
- (1) SDS Plus MX4 4-Cut Drill Bit 12 x 160mm [4932352031]
- (1) PACKOUT™ compatible double-sided medium case

Specifications

Shank	SDS Plus
Technology	MX4 4-Cut
Set	Yes

Shipping Specifications

EAN	045242169511
Weight	0.58kg
Unit Qty per Master Carton	6
Dimensions	100 x 55 x 220mm
