

A compact portable source of ULTRA CLEAN GAS for precise removal of dust

A high pressure, moisture free gas for removing microscopic dirt, dust & lint that normal hand dusting cannot reach. **Includes spray tube to reach cracks and crevices.** Plastic safe, non abrasive and leaves no residue.

Safe to use on sensitive components and most finishes including: computers, printers, scientific equipment, disc drives, timing devices, electromagnetic devices, clean rooms, electronics, photographic laboratories and automotive parts. Features a finger friendly trigger which eliminates finger chill and fatigue.
