

IMPLEMENT TRAILER

Collier & Miller's Implement Trailer has been designed to assist in transporting implements between home and the paddock safely. The Implement Trailer has a large carrying capacity and the ability to lower the deck to ground level for ease of loading and unloading.

Standout features include steering on the carry wheels and a massive 2.4 x 9.0 metre or 2.4 x 13 metre tray carrying up to 8000kg.

Speak to Collier & Miller regarding more information and pricing for our Drop Deck Implement Trailer.
