

# GRADER BLADE 3600

The new Heavy Duty Grader Blade from Collier & Miller features heavy plate construction and large diameter pins to withstand strenuous dirt forming operations, making it ideal for building and repairing roads.

Hydraulic operation to offset the blade and swivel in two directions provides a versatile selection of blade positioning.

Speak to Collier & Miller regarding more information and pricing for our Heavy Duty Grader Blade.

## FEATURES & BENEFITS

- 12mm Plate Mould Board
- Fully Welded
- Full Hydraulic Operation
- 5" High Tensile Pin for Horizontal Blade Swivel
- Cat-3 / Cat-4 Linkage
- Replaceable Cutting Edges
- Powder Coated Finish

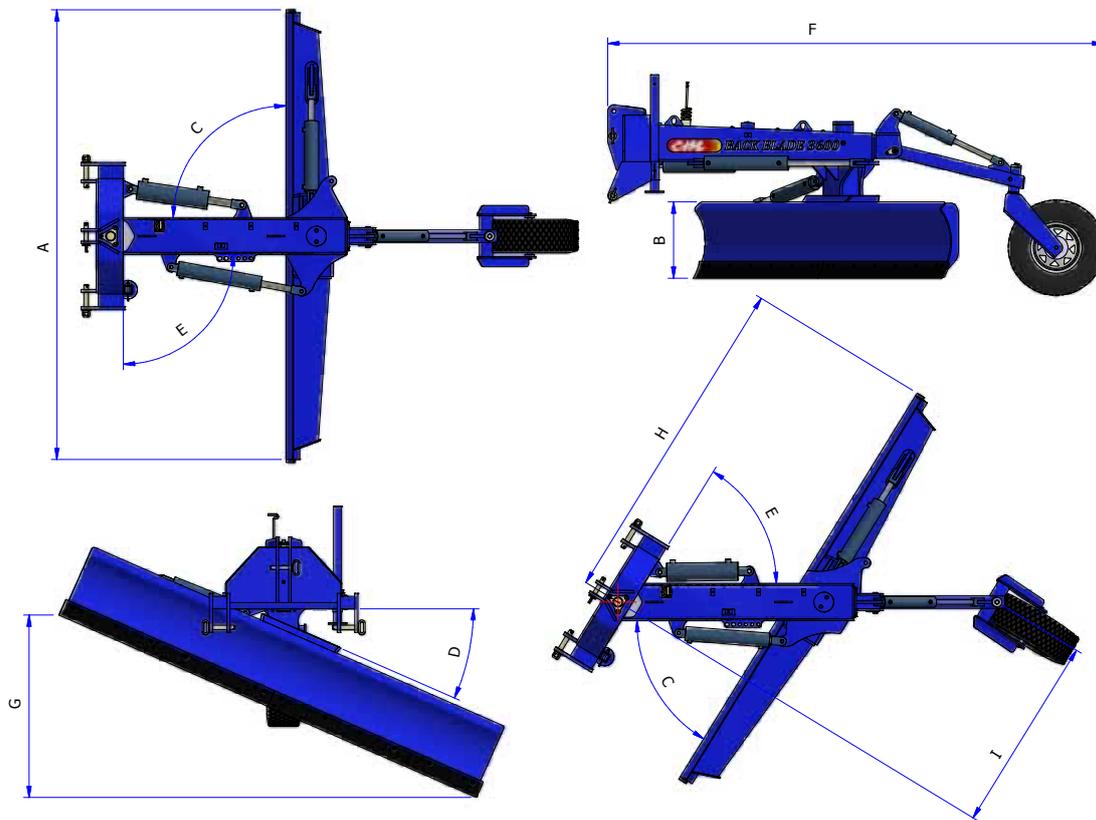

Collier & Miller has over seventy years' experience in designing and manufacturing quality agricultural and industrial equipment. This product is Australian Made & Owned.
