

## NEW PRODUCT RELEASE

### CRL190LED SERIES SLIMLINE LED COMBINATION LAMPS

#### Description

Featuring free form optics in a smart slim line design the CRL190LED series are robust multifunction lamps that can be mounted in areas where space is limited. The lamps use Varivolt® 10-30V circuit technology and incorporate stop, tail, indicator, reverse and reflector functions providing an all in one solution. The high output SMD LED technology together with the smart optic design enables these lamps to comply with all the above functions with their slim line dimensions. Excellent for mine bars, trailer / ute lamps or commercial / industrial applications.

#### Features & Benefits

- Slim line design - multifunction
- Free form optics
- Surface mounting
- Retrofit applications
- Fully ADR compliant

#### Specifications

Functions	Stop / Tail / Indicator / Reverse / Reflector
Voltage	10-30V DC Varivolt™
Current	@ 12V DC Stop: 208mA Tail: 40mA Indicator: 125mA Reverse: 170mA
Mounting	Surface mount, screw on
Lens Material	Polycarbonate
Environmental Protection	IP67
Cable Length	0.3M

#### Applications

- Mine bars • Vehicles • Forklifts • Light Trucks • Utes

#### Compliance

ADR Compliant Functions	Stop & Tail: 49/00 Indicator: 6/00 Reflector: 47/00 Reverse: 1/00
E-mark:	E-marked Compliant ECE
