G10051

85g Mini Pistol Grease Gun

The new and innovative EL Series G10051N mini pistol grease gun kit comes complete with everything you need ready to go and off the shelf in one convenient package. Complete with mini grease gun and rigid extension, this handy kit also includes a flexible hose extension for those difficult to access lubrication points and even includes an 85gm grease cartridge ready to go.

Delivering up to 2,900psi of grease pressure, the EL Series G10051 suits most 85 gram (3 ounce) grease cartridges or bulk grease.

Ideal for boat trailers, ride on lawn mowers, 4WD and caravan lubrication, the compact size of the EL Series G10051 means that it can easily be stored in tool boxes when not in use.

Supplied complete with a 10cm rigid extension, a 23cm flexible extension with adaptor and a 85g grease cartridge, the EL Series G10051 is ready for action.
