Milwaukee Nothing but	
Nothing but I	HEAVY DUTY." Product Information Document
Overview	
Customer Facing Name:	M18 FUEL™ 165mm Circular Saw (Tool Only)
Material Number:	M18FC55520
Product Overview	MI20(23)20
	M18 FUEL [™] 165mm Circular Saw is designed for the professional carpenter, remodeler, and general contractors who rely on high-performing and durable tools. The POWERSTATE [™] Brushless Motor spins the blade at 6,000 RPM, maintaining high speed under load, providing users the ability to complete their most demanding applications efficiently. The REDLINK PLUS [™] Electronics ensures maximum tool performance and protection from overload, overheating, and over-discharge. When paired with an M18 [™] REDLITHIUM [™] HIGH OUTPUT [™] 6.0Ah Battery this saw delivers 300 cuts per charge and is fully compatible with all M18 [™] REDLITHIUM [™] batteries. The lightweight, ergonomic design paired with a robust belt hook allows for increased portability and makes it the perfect solution for completing difficult-to-access cuts. Positive bevel detents and new-to-world depth detents offer added productivity and reduce downtime. Additionally, the saw has an electric blade break, LED work light, rafter hook, and all magnesium guards and shoes, keeping the user productive and providing the durability to handle the
	toughest job site conditions.

Features and Benefits	
REDLINK PLUS™ Intelligence ensures maximum	performance and protects from overloads, heating, and over-discharge
Up to 300 cuts per charge on an M18™ REDLITH	IIUM™ HIGH OUTPUT™ 6.0Ah Battery (M18HB6)
57 mm (0 to 2-1/4") cut capacity	
Bevel detents at 22.5° and 45°	
Depth detents at 1/2", 3/4", and 1-1/2"	
Integrated belt hook for easy transportation on the	e jobsite
Integrated dust port on guard and included vac ad	
LED light for increased accuracy and visibility	
, , ,	
Integrated rafter hook for easy storage	
Magnesium shoe and guards for maximum durab	lity
Electric brake to stop blade after trigger is release	ed
Specifications
