Product Information Document

Overview

Customer Facing Name:	M18 FUEL™ 16mm Overhead SDS Plus Rotary Hammer with Integrated Dust Extractor and ONE-KEY™ (Tool Only)
Material Number:	M18FHAFOH160

Product Overview

The M18 FUEL™ 16mm Overhead SDS Plus Rotary Hammer with Integrated Dust Extractor and ONE-KEY™ is a new-to-world solution optimised for ceiling drilling. This 2-in-1 design delivers improved ergonomics for overhead work compared to traditional rotary hammer and dust extractor attachments. This SDS Plus rotary hammer provides several new features that keep users productive and comfortable for repetitive drilling overhead. The built-in dust extractor creates a compact and lightweight tool with optimised balance for less fatigue. The newly designed side handle, now located near the rear handle, allows the operator to maintain better body posture throughout the application. The handle can be inserted on the left or right of the tool and can be collapsed for easy storage. AUTOSTOP™ Kickback protection offers enhanced safety for the user by preventing over-rotation in a bind-up. With ONE-KEY™, users can choose between default and low sensitivity settings for AUTOSTOP™ feature, in addition to tool tracking and management. The M18 FUEL™ 16mm Overhead SDS Plus Rotary Hammer with Integrated Dust Extractor and ONE-KEY™ provides simplified dust extraction and supreme ergonomics, while still delivering best-in-class performance. The POWERSTATE™ Brushless motor provides fast drilling for small ceiling anchors and enough power to complete up to 16mm holes in concrete.

Features and Benefits

Compact and lightweight tool with optimised balance for less fatigue
Fast drilling for small ceiling anchors
3.2kg with an M18™ REDLITHIUM™ HIGH OUTPUT™ 3.0Ah Battery (M18HB3)
Optimised balance and grip points
Integrated dust extractor 2-in-1 design delivers improved ergonomics for overhead work compared to traditional rotary hammer and dust extractor attachments
Newly designed side handle located near the rear handle, allows the user to maintain better body posture throughout the application
AUTOSTOP™ Kickback protection offers enhanced safety for the user by preventing over-rotation in a bind-up

Specifications

PLATFORM	M18 FUEL™ / ONE-KEY™
VOLTAGE	18V
MAX CAPACITY	16mm
CHUCK TYPE	SDS Plus
IMPACT ENERGY	2.3J
RPM	0 - 1,310
BPM	0 - 4,740
MODES	1 Hammer Drill
RAPIDSTOP™	Yes
AUTOSTOP™	Yes
DIMENSIONS	422 x 84 x 224 mm
WEIGHT	2.6kg
WARRANTY	5 Years

Product Includes

Format - (qty) Customer facing name (model number)

(1) M18 FUEL™ 16mm Overhead SDS Plus Rotary Hammer with Integrated Dust Extractor and ONE-KEY™ (M18FHAFOH160)
(Not Included) Battery and Charger

Unique Selling Points

Light Weight, Less Fatigue
2-In-1 Design, Simplified Dust Compliance
Fast Drilling For Small Ceiling Anchors
