Nothing but HEAVY DUTY." Product Information Document	
Overview	
Customer Facing Name:	M18 FUEL™ QUIK-LOK™ Reciprocating Scissor Attachment
Material Number:	M18FOPHRSA
Product Overview	
Features and Benefits Part of the QUIK-LOK™ Attachment Sy	The M18 FUEL <sup>™</sup> QUIK-LOK <sup>™</sup> Reciprocating Scissor Attachment is powered by the M18 FUEL <sup>™</sup> QUIK-LOK <sup>™</sup> Outdoor Power Head and is compatible with the M18 FUEL <sup>™</sup> QUIK-LOK <sup>™</sup> Attachment System, providing users with maximum versatility to complete a wide array of applications. The Reciprocating Scissor Attachment allows users to cut with precision and accuracy, minimising thrown debris, and preventing marring during close proximity cutting. The Reciprocating Scissor utilises dual 9" (230 mm) blades and has a 13 mm cut capacity, providing users with the ability to quickly clear thick brush and maintain a high-end lawn appearance. M18 FUEL <sup>™</sup> QUIK-LOK <sup>™</sup> Attachments feature protected drive shafts for durability against drops and while in storage. The split boom Reciprocating Scissor Attachment also utilises M18 FUEL <sup>™</sup> Technology, combined with optimised gearing to manage the RPM output specifically for reciprocating applications.
Reciprocating Scissor action minimises Protective storage cover for blade prote Compact toe kick guard for user protec No petrol headaches, pull starts or eng Optimised for best performance with H	ection in storage and transportation tion tion ine maintenance
Specifications	
Platform CPM	M18 FUEL™ 0 - 4,900
Blade Diameter	9" (230 mm)
Cut Capacity	13 mm
Length	965 mm
Weight (Attachment Only)	2.4 kg
Warranty	3 Year
Product Includes	Format - (qty) Customer facing name (model number)
