Product Overview

Photo of Tool

The M18™ Bluetooth Jobsite Radio DAB+ features dual 3.5" woofers and 2 high range tweeters to provide a balanced sound experience. Bluetooth® 5.0 provides up to 35 metres of range to keep you connected. Equipped with AM/FM and Digital radio (DAB+) capabilities with 27 presets, tune in wherever the job takes you (Australia Only). Built-in equalizer settings allow you to customize the bass and treble to your preferred sound. With a sturdy design, the Bluetooth Jobsite Radio is built for the jobsite, offering up to 13 hours of runtime at MAX volume on an M18™ REDLITHIUM™ 5.0Ah battery (M18B5). The durable design and metal grille withstands demanding jobsite environments and delivers water, dust, and impact resistance. Charge up personal devices with USB-C 3.0A device charging. Power the radio with any M18™ battery or the provided AC Adapter for complete versatility. The M18™ Bluetooth Jobsite Radio delivers clear and balanced sound that is built for the jobsite.
