

Nothing but **HEAVY DUTY.**

## Product Information Document

### Overview

Customer Facing Name:	Rotary Laser Tripod 1,600mm
Material Number:	TRP160

### Product Overview

The MILWAUKEE® Rotary Laser Tripod 1,600mm is a secure laser mounting solution to support a wide range of applications. Its durable aluminium design withstands impacts on the jobsite. The smooth height adjustment allows the legs to be quickly raised and lowered, making it easy to set up in any environment. The Rotary Laser Tripod also has a lightweight frame making it easy to transport on and off the jobsite and it includes a shoulder strap for added convenience. The Rotary Laser Tripod 1,600mm is equipped with a 5/8"-11 mounting thread and is compatible with all MILWAUKEE® Rotary Lasers.

### Features and Benefits
