

CRC Oil Fighter

CRC Industries (Aust) Pty Ltd

I. Product Description

CRC Oil Fighter is a revolutionary product, that effectively removes fresh oil stains from surfaces. Effective on concrete floors and driveways, paving, cobbles, masonry, timber, heavy-duty carpets and mats. CRC Oil Fighter is ideal for all automotive, industrial and household needs.

Whether it be leaks, spills, drips, drops or stains, simply spray CRC Oil Fighter on the fresh oil stain, and allow to dry to a powder, absorbing the oil and pulling it to the surface in the process. Then easily sweep or hose off.

II. Features & Benefits

- Removes fresh oil and grease stains
- Works on concrete, paving, cobbles, masonry, timber, heavy duty carpets and mats
- Simple spray on, brush off formula
- Allows to dry completely to a powder 1-2 hours depending on the temperature, humidity and ventilation.

III. Application Directions

Read Entire Label Before Use:

- 1. Wipe up any excess oil.
- 2. Shake can well until ball moves freely.
- 3. Hold can upside down 150mm directly above the stain.
- 4. Spray on stained area, extending application 20mm past the stain.
- 5. Allow to dry completely to a powder 1-2 hours depending on the temperature, humidity and ventilation.
- 6. Once completely dry sweep or vacuum up the remaining powder. On rough or porous surfaces, brushing or hosing off with water may be required.
- 7. If some staining remains, reapply, scrub with stiff bristled brush and repeat steps 5 and 6. May not remove all stains.

CAUTION:

DO NOT USE on asphalt surfaces. DO NOT USE on sealed or coloured concrete. Test in an inconspicuous area before using on sealed, coloured or painted surface and carpet. Prior use of other cleaners may impact results.

IV. Typical Properties and Characteristics

Propellant	Hydrocarbon
Temperature Range	Storage conditions below 50 °C
Valve Type	Inverted Spray

V. Package Description

Part Number Size

1751967 Aerosol 300g

CRC Oil Fighter

VI. Disposal

Disposal requirements vary by state and local regulations. All used and unused products should be disposed of in conformance with local, state and commonwealth laws and regulations.

VII. Special Use Warnings

Aerosol Cans

Extremely flammable aerosol. Do not puncture, incinerate or store above 50°C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources, including battery terminals, solenoids, electrical panels, and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

General

Use only in a well-ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapour and spray mist. Avoid contact with the skin and eyes. If ventilation is not adequate, respiratory protection should be worn.

First Aid:

Skin – Flush skin and hair with running water (and soap if available). Remove any adhering solids with industrial skin cleansing cream. DO NOT use solvents. Seek medical attention in the event of irritation.

Eyes – Immediately hold the eyelids apart and flush the eye continuously for at least 15 minutes with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids. Transport to hospital or doctor without delay.

Inhaled – Remove to fresh air. Lay patient down. Keep warm and rested.

Refer to Material Safety Data Sheet for more details.
