

Pilot K17PUTE Kohler Trade Petrol Reciprocating

Pilot Air's K17PUTE is designed with the tradie, farmer and ute owner in mind. It allows the owner to have air anywhere they can go in their ute as it rests easily in the back tray. Its compact design even allows a hard cover to be closed.

- "K" series pump
- 100L receiver
- 308L/min free air delivery
- KOHLER Command Pro recoil start engine
