

Proudly Australian Manufactured. Proudly Macnaught.

The Macnaught Poly Tanks are the only portable diesel tanks on the Australian market to not only offer a 15 year warranty on the tank but a full 5 year warranty on the pump unit. Assembled using the highest quality, specially formulated polyethylene to withstand the harshest conditions, they offer lightweight yet sturdy fuel storage solutions. Designed with numerous safety features including auto shut-off nozzles to prevent fuel wastage, an earth strap to prevent the build-up of static electricity when the tank is in use and 3 lock security points. Together, these features provide the operator with peace of mind when refuelling.

Automotive, Truck and Buses, Farming, Construction and Earthmoving, Military, Mining, Aircraft, Trains

Why choose this product?

The poly diesel tanks are designed to withstand the harshest conditions. The lightweight tank with built in safety features and reliable premium quality diesel pump gives the operator peace of mind when refueling is required.

Features & Benefits

- 12V Electric pump kit
- Built-in suction hose
- Automatic nozzle
- 3 point security (lockable lid, nozzle and fill cap)
- Bucket strainer
- 3/4" x 4m delivery hose
- Earthing cable
- Moulded carry handles

Macnaught 12V Electric Diesel Pump Kit

Extra-long 4m (13ft) hose

Flow rates up to 85LPM

30 minute duty cycle

Lockable lid to prevent fuel theft

Self priming - trouble free operation

12V Electric Diesel Pumps

The Macnaught Poly Tanks come fitted with a 12V diesel pump capable of delivering 40LPM/ 85LPM dependent on model. (Tank kit and Pump model specified below)
