

PACER F62 ACETONE

PRODUCT DESCRIPTION:

Pacer F62 Acetone is an all purpose thinner and cleaning solvent for use in manufacturing and repair facilities. It removes residues of paint, lacquer, silicone, wax, tar, and other contaminations. It evaporates quickly without leaving any residue and is non-corrosive.

APPLICATION: Pacer F62 Acetone has many including surface cleaner, glue remover and fibreglass repair solvent. It can also be used to clean equipment previously used with solvent based paints and also used as a glue remover and surface cleaner prior to application of sealants. Ideal for use with fibreglass resin & automotive body fillers. Can be used on porcelain, glass, ceramics, blank metals, and more. We recommend testing on a small area prior to application to determine suitability as certain plastics and lacquered and other sensitive surfaces may be damaged.

DIRECTIONS: Use directly from can to avoid contamination. Pour onto cloth and apply liberally to area to be cleaned. Only clean small area at any one time.

PACK SIZES: 1L - PA1, 4L - PA4, 20L - PA20, 200L - PA200

STORAGE: Store upright in a cool, dry, well ventilated area away from heat, ignition sources and direct sunlight. Always replace the lid securely after use.
