TECHNICAL DATA SHEET

Rippa

Strong all round concentrated cleaner for anywhere on a vehicle, and everywhere else you could think! Safe on most paint. Its industrial strength and quick break formula make it a super multi-purpose cleaner for just about any cleaning task. Rippa works exceptionally well on concrete floors, driveways, wheels, engines, vinyl, rubber, walls, bench-tops, gelcoat and plastic. Also great for use as a pre-spray and spot cleaner on carpets.

Rippa is water based, non-toxic and non-flammable.

INSTRUCTIONS FOR USE

- Spray, wipe, or sponge onto surface avoiding over wetting.
- Agitate heavy soiling if appropriate with a soft brush or upholstery sponge, taking care not to spoil pile on fabrics. For velours, agitate with a sponge only
- For non-fabric surfaces, wipe over surface with a clean damp cloth.

Dilution Rates

For general cleaning use neat or dilute up to 1:3 with water.

WARNINGS

Test on inconspicuous area before applying to entire area to ensure dilution ratio is correct
