wicking

Designed  
for maximum  
performance,  
comfort  
and durability

Dual layer  
impact protection

Elevated XCEL  
heel cushioning

poron® | performance  
cushioning

### TRIM TO FIT

Insoles have cut lines on the bottom to allow adjustment to your existing Redback boots. Remove insole from boots, place on top of new Redback Xcel insole and trace around the front edge. With sharp scissors cut to size using traced line or cut lines as a guide for sizing. Place into boots ensure insole sits flat for correct fitment.

XSmall	2 - 4
Small	5 - 7
Medium	8 - 9
Large	10 - 11
XLarge	12 - 13
